Visiting Angels Home Care for Seniors will host a ceremony that lights candles of care to remember and honor those affected by Alzheimers disease as part of National Commemorative Candle Lighting, an annual event sponsored by the Alzheimers Foundation of America (AFA) to raise awareness of the disease and related illnesses. Activities takes place at the Visiting Angels' location in the Grand Bahamas Professional Park at 955 N.W. 17th Ave., Cottage G in Delray Beach. Directions: Congress Avenue north, cross Lake Ida Road, first right turn into Delray Park of Commerce. Continue straight and enter Grand Bahamas building. Cottage G is to the right and around the bend.

November is National Alzheimers Disease Awareness Month and as the number of Americans affected by the disease continues to rise, it is appropriate to honor those currently affected and remember those who have passed away from the brain disorder. The ceremony is also intended to call attention to community resources that are available to provide direct care to families affected by Alzheimer's disease, and to educate people about the disease including the importance of early detection. AFA's National Memory Screening Day follows on Wednesday, Nov. 16.
